

MY WALLS
Trade

Your vision. Our expertise.

My Walls partners with interior designers, architects and builders to create custom window treatments that elevate every project.

From material selection and technical guidance to production and installation, our team works alongside you to bring each vision to life with precision, consistency and care.

Polyanna Galvão

FOUNDER, MY WALLS HOME DESIGN

Solutions, tailored to every project.

From custom drapery to advanced shading systems, we offer carefully selected solutions designed around each space, specification and vision.

Custom Drapery

Made-to-measure fabrics, linings and finishes.

Shades

Rollershades, sheerview, roman and specialty solutions.

Motorization

Seamless control, comfort and smart-home integration.

Outdoor Screens

Sun protection, privacy and outdoor comfort.

Designed to support your process.

We become an extension of your team, bringing specialized knowledge, thoughtful solutions and reliable execution to every project.
